

GENERAL PROJECTION SYSTEMS

Directions to our new HQ location.

From Orlando International Airport

Follow the signs for North Exit from the airport. Turn east/right onto the "Beachline" highway (State Highway 528). After about 2 miles, you will see signs for State Highway 417 which is also known as the Central Florida Greenway. Take 417 north towards Sanford. Exit at Rinehart Road and turn south/left onto Rinehart Road. We will be on your right approximately a mile and a half after you turn onto Rinehart Road. Look for "Stirling Center." Turn right into the center. Our building is on the southern side of the entrance to this office park (this is your immediate left after you enter the park).

From Daytona and Points North of Lake Mary

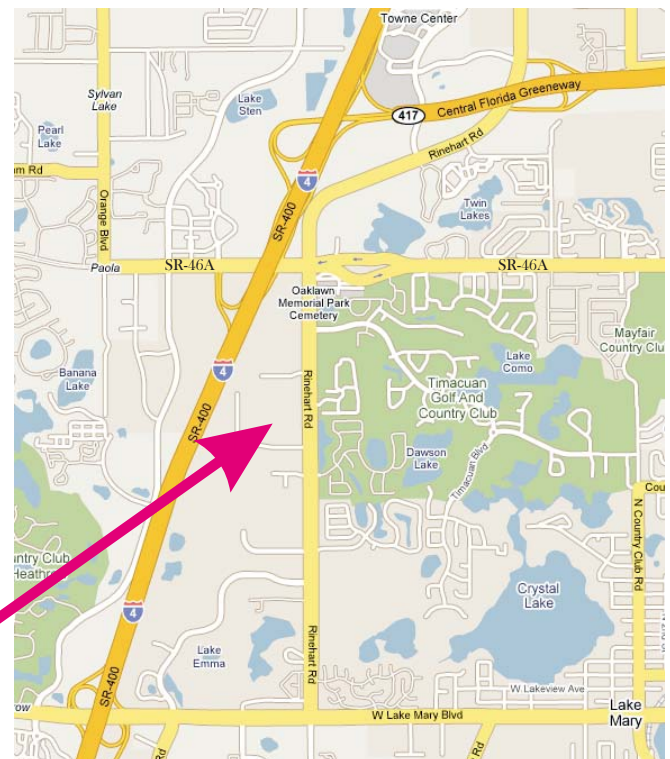

Take I-4 west towards Orlando. Exit at State Road 46A (H.E. Thomas Jr. Parkway). Turn east/right onto SR-46A. Crossing over I-4 the first major intersection you encounter will be Rinehart Road. Turn south/right onto Rinehart Road. We will be on your right approximately half a mile after you turn onto Rinehart Road. Look for "Stirling Center." Turn right into the center. Our building is on the southern side of the entrance to this office park (this is your immediate left after you enter the park).

From Orlando and Points South of Lake Mary

Take I-4 east towards Daytona Beach. Exit at State Road 46A (H.E. Thomas Jr. Parkway). Turn east/right onto SR-46A. The first major intersection you encounter will be Rinehart Road. Turn south/right onto Rinehart Road. We will be on your right approximately half a mile after you turn onto Rinehart Road. Look for "Stirling Center." Turn right into the center. Our building is on the southern side of the entrance to this office park (this is your immediate left after you enter the park).
